“Répondre aux exigences de nos clients, en offrant une haute qualité des produits et des solutions innovantes à des prix compétitifs...”

Depuis le début de l'aventure, l'entreprise familiale fondée en 1981, s'est bâtie sur la passion pour notre métier, en apportant des produits compétitifs et de qualité.

Au fil des années, cette philosophie gardée intacte, nous a permis, avec l'aide de nos clients et collaborateurs, de devenir un groupe Européen. Aujourd'hui, ces valeurs nous permettent de nous engager dans nos défis futurs avec sérénité. Comme vous pouvez le constater, notre catalogue propose une gamme très complète et de nombreux produits innovants, créés et développés par nos équipes.

Nos graphistes ont réalisé des designs propres à l'entreprise, ce qui apporte une «touche française» à nos gammes. Nos propres usines en Espagne et en Suisse, nous permettent chaque jour de contrôler et d'améliorer la qualité de nos produits.

Since the beginning of the adventure, the family business founded in 1981, our motivation has always been the passion for the profession and the will to propose products combining competitive pricing and Quality.

Over the years, with the support of our customers and partners, our philosophy has given rise to MSV as a European Group, ready to take on new challenges with the passion of the early days intact. As you can see, our catalogue offers a very complete range of bathroom articles, as well as innovative products, created and developed by our Team.

Our graphic designers have crafted original designs, exclusive to our Company, which add the "French Touch" to our entire range. Our own factories in Spain and Switzerland, enable us to control and improve the quality of our products every day.
